* An incidental "missing" in these recapitulations are thousands of community touchpoints experienced via social media (SAW-Alumni Facebook page et al), phone calls, text messages, group texts; 12-Step recovery/integrative meetings; physical meet-ups; virtual meet-ups; speaking engagements; fundraising events, et cetera.

** "How Many People Are Exposed to Suicide? Not Six" (<https://onlinelibrary.wiley.com/doi/abs/10.1111/sltb.12450>). For every individual that completes suicide, 135 lives are directly impacted by that loss.
